COUNTY TO PROVIDE LIVE WEBCAST OF BOUNDARY REVIEW MEETINGS

The culminating meetings of the Los Angeles County Boundary Review Committee (BRC) will be streamed live online, as the BRC concludes its work and prepares to send recommendations on revising the boundaries of the five supervisorial districts to the Board of Supervisors for consideration.

The final two meetings of the BRC are scheduled for Monday, July 11 at 2 p.m. and Wednesday, June 13 at 2 p.m., with the online broadcast available by going to the Los Angeles County homepage at <http://www.lacounty.gov>, and clicking on "Board Meeting Webcast" on the right-hand side of the page, or at the following direct link: <http://bos.co.la.ca.us/Categories/MtgsBoard/LiveBroadcast.htm>.

The BRC is tasked with identifying any necessary changes to the boundaries of the supervisorial districts and will report to the Board of Supervisors its findings and recommended changes. It is expected that growth in the number of residents will require some shift in the boundaries of the five districts to accommodate population changes or shifts among people living in Los Angeles County.

Additional details on the Los Angeles County boundary review process are available at <http://redistricting.lacounty.gov>.
